

MAKING sense

OF LANGUAGE ARTS

Dear Families,

If you have seen our logo filled with superheroes you know we have a heart for heroes. Yet there is no hero greater to me than a loving parent, grandparent or care giver.

Being there when a child needs you is vital to his or her well-being and life success. We are here for you too and look forward to empowering your child to read, write and understand language by the end of this school year!

Please make it a priority to have your child signed in for tutoring on time. If you need help learning how to connect, let us know.

Please encourage your child and praise him or her for efforts and successes. A “thumbs up” and “I can do this!” an open book and “I will learn to read” inspire hope and learning.

Please ask your child what she or he has done well, what might need more attention, and what he or she will do or has done to make it better.

And please do not hesitate to reach out for help at any time to Making Sense of Language Arts.

If you have technical problems feel free to contact:
